

The Creative Practitioner – Reflective Log

Where do you want to focus your reflections?

Achieving Tailoring Innovation Reflection Empowering

Where do your strengths lie in this area?

And what are the challenges for you?

Now set your challenge for this log:

What do you want to achieve over the period of this log?

How will you know that you've made progress? Think about:

What your planning will look like.

What the feedback from learners will be.

What difference there will be to the learning achieved.

Session 1

Planning and preparation: What are you going to do differently this week in how you prepare for delivery?

Delivery: How did it go? Was your plan successful? What feedback did you get from learners?

Review: What have you learned relating to your original challenge?

Change: What's the next steps? What do you want to try next session?

Session 2

Planning and preparation: What are you going to do differently this week in how you prepare for delivery?

Delivery: How did it go? Was your plan successful? What feedback did you get from learners?

Review: What have you learned relating to your original challenge?

Change: What's the next steps? What do you want to try next session?

Session 3

Planning and preparation: What are you going to do differently this week in how you prepare for delivery?

Delivery: How did it go? Was your plan successful? What feedback did you get from learners?

Review: What have you learned relating to your original challenge?

Change: What's the next steps? What do you want to try next session?

Session 4

Planning and preparation: What are you going to do differently this week in how you prepare for delivery?

Delivery: How did it go? Was your plan successful? What feedback did you get from learners?

Review: What have you learned relating to your original challenge?

Change: What's the next steps? What do you want to try next session?

Session 5

Planning and preparation: What are you going to do differently this week in how you prepare for delivery?

Delivery: How did it go? Was your plan successful? What feedback did you get from learners?

Review: What have you learned relating to your original challenge?

Change: What's the next steps? What do you want to try next session?

Delivery: How did it go? Was your plan successful? What feedback did you get from learners?

Review: What have you learned relating to your original challenge?

Change: What's the next steps? What do you want to try next session?

Overall Reflections

Think back to your original challenge. What progress do you think you have made?

How have you found the reflective process? What has worked for you?

What is the focus of your next challenge? Think about

Achieving Tailoring Innovation Reflection Empowering
